## PRESS RELEASE

### All aboard Chillon Castle for a swinging summer!

This summer, the Chillon Castle Foundation (FCC) is continuing its successful streak with a programme of cultural summer activities for children and grown-ups. One of the new arrivals for 2022 is the dance workshop, with medieval, modern and rhythmic choreography. Get ready for a swinging summer on this rocky island!

Cross the moat and come aboard our 'castle boat' as we set sail for a summer of fun. Get away for the day! The programme of daily events on your doorstep is sure to delight little ones and grown-ups alike, not to mention the *pièce de résistance* for children and teenagers: (pre-)teens will have the chance to dance like the dukes and duchesses of yesteryear to smash hits from the Middle Ages.

For English and German speakers, the FCC team has a chilled long weekend planned on the Vaud 'Dolce Riviera'. On Sundays and Mondays there will be a guided tour available in these two languages, as well as French. You can also take a leisurely – but informative – Sunday stroll on the classic guided tour 'Everyday life in the Middle Ages' with a guide in period costume. On Mondays, rotate between going on the hunt for '[Graffiti and paintings](#)' or the '[Mysteries of Chillon](#)' and sharpening your five senses with the '[Interactive tour](#)' – not a screen or gadget in sight.

You can also pick up a [fun family trail](#), or [Drako's Tour](#) booklet for your little ones at the ticket office – available every day in French, English and German.

### Three exciting new additions
