RULES AND REGULATIONS

1. It is strictly forbidden to move any furnishings in the castle grounds (furniture, objects, interactive terminals, etc.), or to use them as supports for filming materials. **UAV or drone is forbidden over the castle.**
2. Beware of our registered trademark and viewpoints: <https://www.chillon.ch/en/rules>
3. A castle caretaker must be called for any and all particular requirements.
4. Scenes filmed on site must not detract from the brand image of Chillon Castle, and must respect the Foundation's values of quality, tradition and prestige.
5. For a film or a publication without specific promotion Chillon, a charge of CHF 1'000.00 per day of filming / shooting during the castle's official opening hours will be payable on site. The Foundation reserves the right to invoice additional costs if filming/shooting goes over the time or the aim agreed upon as described above.
6. Additional filming outside official opening hours may be allowed at a charge of CHF 200.00 p/hour or part of an hour, payable on site.
7. If one or other room previously required may exceptionally be privatized during the official opening hours, please be advised that it is not possible to book the whole castle.
8. The place called "Castle of Chillon, Montreux / Veytaux" must be mentioned in the film's and publication's credits.

In the event these conditions are not respected, Chillon Castle Foundation reserves the right to interrupt filming or editing.
