## **GENERAL TERMS AND CONDITIONS OF SALE FOR ONLINE TICKETING**

### **Ticket types**

To buy a print@home ticket, customers must connect to the [www.chillon.ch](http://www.chillon.ch) website and fill out the required fields to place an order.

Once the transaction is finalised, the customer will receive email confirmation with a QR code. This email constitutes the print@home ticket. The print@home ticket must be printed by the customer on plain A4 paper or presented on an electronic device in order for it to be valid.

### **Price and payment**

Prices are shown in CHF (Swiss francs), with tax included.

Prices stated are based on regular rates in force at the time the order is placed.

There is no booking fee for orders placed online. Customers must print their print@home ticket with the QR code themselves and present it for scanning with an electronic device.

For online ticket orders (print@home tickets), we only accept payment by bank or credit card (Mastercard, Visa, Postfinance), TWINT or Paypal.

Online payment is processed in line with the terms and conditions of the Smeetzpay payment system.

All information is protected and encrypted before it is sent to the processing centre. This security measure is guaranteed by the SSL2 protocol and certified in line with Payment Card Industry regulations.

Whatever your chosen payment method, payment must be made in the name of the customer ordering the tickets.

### **Conditions for ticket use**

Tickets sold online cannot be refunded, but it is possible to change the date of your visit if the ticket price remains the same and if the request is made 3 days before the

visit. Tickets are non-replaceable in the event of loss or theft and cannot be combined with other promotional offers.

Print@home tickets are only valid for the service purchased and for the date and time specified. They are not queue jump tickets, but instead allow access to Chillon™ Castle within the 30-minute time slot indicated.

They must be presented at the castle entrance and are not valid without the QR code. The resale of tickets at a higher or lower price than that which appears on said ticket is strictly forbidden.

Each ticket entitles the holder to one individual place.

Free or reduced-price print@home tickets are subject to conditions dependent on their chosen category.

If print@home tickets are linked to a discount or free admission card, said card must be presented at the castle entrance. You will also be asked to present a form of ID.

For Family and Child tickets, children under 15 must be accompanied by at least one adult. Family tickets are valid for a maximum of 2 adults and 5 children (aged 15 and below).

Tickets for one-off events remain valid if the event is postponed. Subsequently, print@home tickets, unused or otherwise, cannot be returned, exchanged or refunded, such as in the event of loss or theft.

Chillon Castle reserves the right to refuse the print@home ticket holder entry to Chillon Castle if the ticket is illegible, crossed out, damaged, incomplete, partially printed or counterfeit.

Once print@home ticket holders have left Chillon Castle, they cannot go back in with the same ticket.

### **Conditions for guided tours bookings**

All bookings for guided tours must comply with the following:

Once confirmed, bookings for guided tours are valid exclusively for the service purchased and for the date and time mentioned. Even if unused, they cannot be returned, exchanged or refunded.

- For late arrival of more than 30 minutes, the guided tour will be cancelled. Participants will receive a leaflet for a self-guided tour.
