RULES AND REGULATIONS

1. It is strictly forbidden to move any furnishings in the castle grounds (furniture, objects, interactive terminals, etc.), or to use them as supports for filming materials.
2. A castle caretaker must be called for any and all particular requirements.
3. Scenes filmed on site must not detract from the brand image of Chillon Castle, and must respect the Foundation's values of quality, authenticity and hospitality.
4. Filming may not under any circumstances hinder visits or tours of the castle by the public. To film in more optimal conditions, this may be done outside of official opening hours (additional cost of CHF 200.- p/h. payable on the day of filming).

In the event these conditions are not respected, Chillon Castle Foundation reserves the right to interrupt filming.
